FEEDBACK FORM OF STUDENTS

Sr. No.	Questions	Opinion	
		Yes	No
1	Is course fulfils my learning needs ?		
2	Were course objectives clear to you?		
3	Were course contents according to your expectations?		
4	Do course contents fulfill recent needs?		
5	Course exposed you to new knowledge and practices?		
6	Course content has contemporary relevance ?		
7	Course seems useful to you in getting a job or business need?		
8	Is the syllabi structure systematic?		
9	Topics included are of equal importance ?		
10	Was the level of the course adequate?		

Feedback Collected from students for analysis: (year: 2022-23)

"The table below shows the process of collecting feedback from students in the institution. The institution has decided to gather feedback from students regarding the curriculum, and feedback forms have been distributed to all departments. For each class, 10 feedback forms are randomly given to students. Subsequently, these feedback forms are collected and carefully analyzed. Suggestions provided by students are also analyzed, and the institution takes appropriate action in response to these suggestions."

Alumni	35	30	05	05	05	05	05

Feedback Collected from Alumni for analysis: Year: 2022-23

"The institution has extended the feedback collection process to include teachers as well. Each teacher has been provided with a feedback form for sharing their insights on the curriculum. These forms are distributed across all departments. Teachers are encouraged to fill out the feedback forms, providing their valuable input. Once completed, the individual feedback forms from teachers are collected and carefully analyzed. Suggestions and comments from the teachers are thoroughly reviewed, and the institution takes appropriate action in response to their feedback.

Suggestions from Teacher's Feedback (2022-2023)

The following Suggestions received from the teacher's feedback

1. Provide an online platform for the unrestricted utilization of the internet.
2. Additional books, including new curriculum materials, need to be incorporated into the library.
3. Each department requires an increased number of computers linked to the internet.
4. Instructors should receive additional, highly sophisticated ICT training.
5. Online lectures should be accessible to the students.

Analysis of Feedback

Suggestions from Alumni Feedback (2022-2023)

The following Suggestions received from the Alumni feedback

1. Alumni should be reminded about the convocation.
2. New books should be purchased from the library.
3. Grant permission for sports.
4. An alumni organization should be established, and new alumni should be added every year.

Action Taken

1. Former students will be informed about convocation by instructors.
2. Students have access to a free library and study space.
3. Access to sports facilities is granted to alumni during working hours.
4. The library has acquired new books in alignment with the revised curriculum.

Suggestions from Students Feedback 2022-2023

The following Suggestions received from the Student feedback.

1. Initiate a preparation platform for multiple competitive exams.
2. More reference books should be added to the library.

Action Taken

1. In collaboration with the Maharashtra Higher Education and Information Center, the Career-Katta project was initiated by the college.
2. Prof. Kashid Rajesh has been designated as the Career Katta Program Coordinator by the college to enhance communication with students.
3. An online course has been established by the college for students gearing up for competitive exams.
4. Students are encouraged by both colleges and Career Katta to enroll in the course, as it will prepare them for various competitive exams and internships.
