DEPARTMENT OF HISTORY

Primary Information

The Department of History launched its journey in 1984 as General subject for first year B.A. The Department of History was established in June 1985. B.A.History Marathi Medium was introduced during the year 1985-1986. MA History course started in 2007-2008.

Objectives of the Department :

- Understanding of the past through a complex process of critical dialogue with historians and historical sources.
- Mutual trust and respect among historians
- Belief in honoring the integrity of the historical record
- The pursuit of scholarship in regional and local History
- Rigorous academic and research environment
- Providing unique learning experience for the students through exploring Maratha History and History of Maharashtra in its regional and national context.

Scope of the Subject

After they learn this course of BA & MA in History, the students will be able to make their career in this field. They will easily get job offers in the field of Archaeologist and Historians. The students can also work as teachers or lecturers in the schools, colleges or universities.

Vision

The History Department prepares students for a wide range of careers by teaching a core set of transferable skills through the study of societies, cultures, and economies across a broad chronological and geographical spectrum.

The History Department aims to make the students aware of the past and its legacies through teaching, research and extension activities in Indian history in the context of world history. We believe that only a critical understanding of the past will enable the students to understand the present and help them look towards the future.

Mission

- Transform the students into citizens who are critically informed about the past and its consequences for the present

- Promote studies in history, society and culture of Maharashtra in general and Maratha history in particular
- Empower students to cope with the challenges of globalization by instilling in them a life-long passion for learning about the past. The knowledge about the interconnections between the global, national, regional and local history will equip the students to face the challenges with confidence.
