Department of Student Development (DSD)

About Department

The vision of Jamkhed Mahavidyalaya Jamkhed is student-centric. It enrolls more than 25 students. This vision, which is multifaceted and multifaceted, is truly embodied by the Student Development Board of the college. This vision sees the youth as a source of power where their energy is used for socially relevant activities for nation building and creating an egalitarian society. It encourages and motivates the various activities of the students for a better future of India. Efforts are taken to develop the overall personality of the students and to develop them mentally, physically, culturally through various activities to make them civilized Indian citizens to compete in the globalized world. In today's higher education system, not only education is high, but the student should also be of great quality, he should be socially conscious, he should have a passion for national integration and efforts should be taken for the development of his personality. The personality Development of the students cannot be done only through traditional education. It requires the stability of body, mind, intellect and soul. So the noble purpose of the Karmaveer Bhaurao Patil Earn and Learn scheme is being implemented in the college. The Department of Students Development Jamkhed Mahavidyalaya is working to instill hard work and culture in the students and to always preserve this heritage. The Department of Students Development tries to nurture students' mental, physical, cultural growth with various

activities to improve their overall personality development and to make them civilized Indian citizens to compete in the globalized world.
