## **Two days National Conference on - Interdisciplinary Approch In Chemical and Allied Science on**

**24 -25 March 2023.**

Date: 16/03/2023

Dear Sir/ Madam,

People's Education Society's, Jamkhed Mahavidyalaya, Jamkhed IQAC and Department of Chemistry organising Two days National Conference on - Interdisciplinary Approch In Chemical and Allied Science on 24 -25 March 2023.

The uniqueness of this conference is discussion on various issues related with advance research in chemistry and to make awareness of interdisciplinary approach and on boosting the research activities. On 25th March 2023 there is interactive session with renowned Scientist and demo for making Incense, soap, detergent, perfumes for the participants and students. We would be happy if you participate in this conference along with your colleagues.

Paper Submission last date- 22 March 2023.

**INVITATION**

## INVITATION

Hon. Sir,

It is immense pleasure to invite you for the Two day's National Conference on "Interdisciplinary Approach in Chemical and allied Science"

### About Institution

**The People's Education Society, Jamkhed Dist- Ahmednagar** is an institution established in 1951 by visionary and benevolent dignitaries. They had given valuable promise by confirming motto, "Shraddhavan Labhate Dnyanam" means "श्रद्धावान् लभते ज्ञानम्" and is providing secondary school education specifically for economically and socially backward community especially those who are having an agricultural background. The parent institution runs four branches of schools, English Medium School, Diploma college of Engineering and one of the senior college named as a **Jamkhed Mahavidyalaya Jamkhed**. The management is continuously guiding and helping to make capable, skill oriented, outstanding students and responsible citizens of the society.

### About College

The college is established in July 1984 initially only a single stream of commerce and then subsequently arts and science faculties are started in June 1987 and 1991 respectively with strong demand of society.

The college is trying to provide quality education affordable especially for rural, economically deprived students with agricultural background and to inculcate knowledge, skill, human values and to

nourish hidden talents by providing opportunities to maximize their potential and transform them in to future leader, entrepreneurs and responsible citizens.

The College is located in the heart of city having total 4.5 acre area. The college is Grant-in-Aid, and offers Co-education, and has received 2F/12B status of UGC from 4<sup>th</sup> February 2005. The college has received permanent affiliation from SPPU. College has successfully completed two cycles of NAAC. The College has Library, Gymkhana, Laboratories, Seminar hall, Computer laboratory, ICT facilities, digital language laboratory, class rooms, botanical garden, students and staff amenities, jogging track. Academic and administrative infrastructure which is manned by an efficient staff. There are eleven Ph.D. and two M.Phil holder teachers in the college. The institute consistently involves staff and students in environment awareness activities.

### About the conference

The interdisciplinary approach in various fields of science is full of promises to benefit the mankind. This conference will provide an integrated, quantitative and interdisciplinary approach and a unique platform to budding scientists, researchers, academicians, and entrepreneurs across the nation to participate and share their research advancements. We cordially invite all the participants for sharing their knowledge of research in the area chemical allied science. We hope this conference will give at least some underlines for the utilization of chemistry in the field of research.

### Basic Theme of the conference

- ❖ To discuss on the various issues related with advance issues in chemistry
- ❖ To focus on boosting the research activities in perspective of the subjects e.g Chemistry, Physics, Botany, Zoology, Microbiology, Electronic science.
- ❖ To make the awareness of interdisciplinary approach and to focus on boosting the research activities.
- ❖ To make the awareness and focus on the areas that are directly related issues for the betterment of society.

### Abstract Presentation

Abstract should be prepared according to the following guidelines. The abstract should not exceed 250 words sent as an MS WORD documents in Times New Roman, font size 12pt regular, line spacing 1.5, margin 1" from all sides on A4 paper.

**Paper title** – upper case, centered and Bold, font size 14pt

**Author names and affiliation** - centered font size 12pt. regular.

**The name of author** presenting paper should be bold and begin with asterisk (\*XX)

Author/s address - centered font size 11pt

**Keywords** - Maximum 5, latic, font size 10pt.

**Abstract submission** - Author should send a soft copy of abstracts by email only on [chemdeptjmi@gmail.com](mailto:chemdeptjmi@gmail.com), [shivralebhat@gmail.com](mailto:shivralebhat@gmail.com)

Abstract should be enclosed with the scanned copy of registration fee (Demand Draft).

**Last Date for submission of Abstract**- Abstract should send hard copy of abstract and registration fees on or before **22 March 2023** The abstract received **22 March 2023** will not be incorporated in abstract book.

**Abstract scrutiny** - Abstract received will be reviewed and scrutinized by the scientific programmers committee for oral/poster presentation.

**Poster size**- The poster of the Research article for the presentation should be of size 112 × 87 cm in Landscape orientation pattern.

### Presentation:

**Oral Presentation** – Author should present his research article on power point in scientific sessions.

**Poster Presentation** - Author of research article will display specific poster in according to the conference schedule. 1m x 1m space will provide for the poster
